

1st March 2022

Dear Parent/Carer

Your child has been successful in their application for the CORE Leaders of Tomorrow programme. Congratulations. Over twelve weeks, starting in March 2022, they will learn leadership skills from a range of industry leaders; with backgrounds ranging from Musical Theatre, to AI and Coding. The programme will help them develop their 'voice' and learn the skills to make impactful and sustainable change. Then, as a CORE Leader, they will be supported to join youth steering groups and influential boards across the City.

The first session takes place at City Academy, Newhall Street, **Thursday 3rd March, 2:30pm-4:30pm**. They will return to school by 5:00pm. Students will be accompanied by Rockwood Academy staff. The programme culminates in a celebration evening, where you will be able to join your child in acknowledging the success they have had on their leadership journey.
