

2nd June 2025

Dear Parents/Carers

RE: Public Examinations on Friday 6th June 2025

As I write, the upcoming Eid celebration has been confirmed as Friday 6th June.

As you know, on this date all of Year 11 have their final GCSE English language paper at 9.00am, and a large number their GCSE Geography exam in the afternoon.

Attendance to these exams are vital. For example, any student who does not achieve a Grade 4 in English Language will have to resit the qualification at college. Indeed, the grade in this exam will impact their post 16 options and job opportunities.

Following the English Language exam on Friday 6th June, students who do not study Geography will be dismissed at approximately 11.00am and will be able to leave site at that time.

Students who sit Geography will remain in school for a masterclass then sit the GCSE Geography exam. We will dismiss these Geography students from the site at approximately 2.40pm.

We wish our students, community and families a wonderful EID.

Yours sincerely

Mr R Reeve
Headteacher
