Dear Parents and Carers,

You may be aware that there was an incident in the local area this evening involving one of our students.

As this now involves a live police investigation, I hope you will understand that I am very limited on what I can say at this point.

As you know the safety and wellbeing of our students is always our top priority and staff will speak to students tomorrow to remind them who to talk to if they have been affected by this and how to access any help or support they might need.

We are working closely with the police to support their investigation, and tomorrow we will remind students who they can speak to if they have any concerns.

I understand how upsetting this news will be, but please know we will be doing everything we can to provide the support that anyone needs. As ever, please do get in touch if you have any questions.

Thank you for your continued support.

Yours sincerely

Richard Reeve
