

Seneca for Parents

Seneca is an online learning platform for students and teachers, covering a wide range of subjects for Key Stage 3, GCSE, A Level and more!

Once your parent account is set up and linked to your child's student account, you will be able to track their progress and view assignments that have been set by the school.

To log into Seneca, or set up your account follow this link: <https://app.senecalearning.com/>

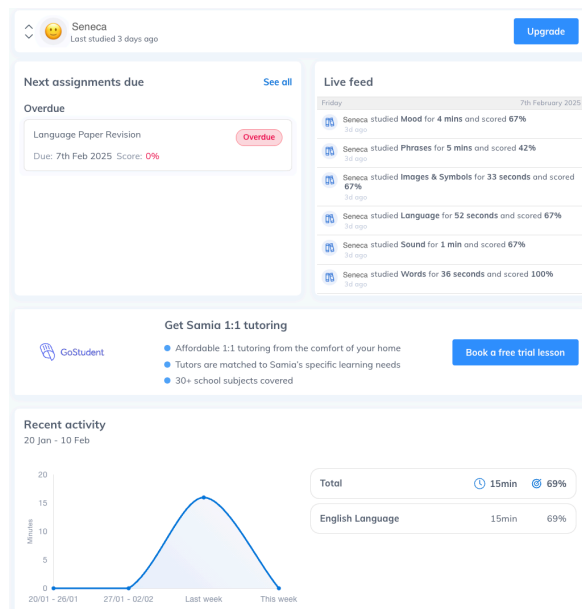

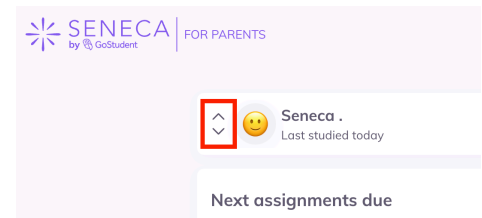

The menu bar at the top can be used to navigate between the different pages.

Homepage

View all your child's study data in one place.

Easily switch between multiple children by clicking the arrows by their name.

Assignments: view all current and overdue assignments

Live feed: shows all study on Seneca including the XP earned, percentage score, and exam question stats

Recent activity: categorised by subject
