

26th September 2025

Dear Parents/Carers of Year 9X3

We are delighted to inform you that your child has been selected to take part in an exciting project for Year 9 on **30th September 2025**.

This initiative is being delivered in partnership with **Virtual Decisions**, who have developed an innovative programme to support our Personal Development curriculum. The project begins with a virtual reality experience and is followed by a six-lesson extended learning package, focusing on raising awareness of the risks of exploitation.

To enable us to run this valuable opportunity, we will provide lunch on the day but within a slightly reduced format (**20 Mins – rather than the usual 40 Mins**). This enables further interaction with the team. We appreciate your understanding and support in making this possible.

Thank you for working with us to provide such important learning experiences for our students.

Yours sincerely

David Cooke
Deputy Headteacher
