

# Year 10 GCSE Mock Exam Timetable June 2026

## Reminder of GCSE examination procedures

You are in normal lessons unless an exam is taking place.

If the subject is not on this timetable, you will not sit an exam in this season of GCSE mock exams.

Practical exams for Art, Hospitality and Catering will take place between Monday 29th June until Friday 3rd July. Your teacher will advise you of the specific dates and timings.

You must not have any notes, watches, iPods, phones, AirPods or electronic devices in the exam hall – this will lead to disqualification.

You must not communicate or disturb anyone, in the exam halls including turning around, talking, laughing – this will lead to disqualification.

Prepare well and try your best in all exams, use your time fully to complete all questions. The feedback from your performance will inform your teachers of how to support you further to prepare for your actual Y11 GCSE Exams.

If you need support or would like any further guidance, please do see Mr Hussain and Ms Mirza.
