

5th November 2025

Dear Parent/Carer

Year 10 GCSE Parental Information Evening

Your child has started their two-year GCSE qualifications, and we are delighted to be able to offer you the opportunity to come into school to find out how we will support them in moving forward in an increasingly competitive world.

We would like to invite you and your child to our Parental Information Evening on **Thursday 13th November 2025 from 4.00pm until 5.00pm.**

We want to support our parents to be able to attend, therefore there will be a presentation at 4.15pm and then at 4.40pm in the Main Hall.

Refreshments will be available, and you will be able to collect your child's free scientific calculator purchased by the school to support their GCSE Maths progress.

During the presentation you will find out information about GCSE courses and how to support your child through the next two years with revision guides and our free online learning platforms.

Staff will also be available to talk through any queries you have as parents or support with our online learning platforms.

We look forward to welcoming you to school on the 13th November 2025. Please enter the Academy via the Main gate entrance.

Yours sincerely

Ms Creedon
Deputy Headteacher
