

15th January 2026

Dear Parents and Carers

Year 10 Parents' Evening

I hope this letter finds you and your family well, and that you have enjoyed a peaceful and refreshing start to the New Year. As we begin 2026, we look forward to strengthening our partnership with you and continuing to support your child through this important stage of their education.

I am writing to invite you to the **Year 10 Parents' Evening**, which will be held on:

Thursday, 22nd January 2026
Time: 4:00pm to 6:30pm

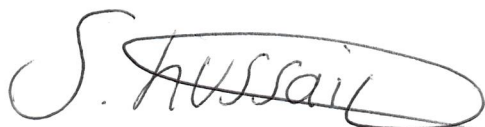

Attending Parents' Evening is critical in supporting your child's journey in school. Your involvement plays a central role in shaping their approach to learning. When students see their parents actively engaged in conversations about their progress, it reinforces the value of education and helps them feel supported, motivated and confident.

The evening will provide an important opportunity to discuss your child's progress across each of their GCSE subjects. Teachers will be available to talk about academic performance, classroom engagement and the skills each student is developing as they adapt to the increasing expectations of Key Stage 4. These discussions are key in helping students identify what they are doing well and where they may benefit from additional focus or support.

Parents' Evening is also a chance to strengthen communication between home and school. By working together, we can ensure that students receive consistent guidance and clear next steps, both academically and personally. This shared understanding helps us create a supportive environment where students can thrive and feel confident in their ability to meet the demands of the GCSE curriculum.

We greatly value your partnership and look forward to welcoming you on the evening.

Yours sincerely

Mr S Hussain
Head of Year
