Dear Parent/Carer

RE: Year 11 Online Intervention Schedule 2021/22

At Rockwood Academy, we recognise the need for additional support and increased teaching time to help all students meet their potential, especially as their learning has been affected by the COVID-19 disruptions. We have arranged for compulsory online afterschool intervention sessions, in conjunction with Impress the Examiner. This revision will cover the core subjects, Maths, English, and Science. Each session will run for 90 mins every week for the next twenty weeks. This is a fantastic opportunity to ensure your child can achieve their full potential in their GCSEs.

Intervention sessions will begin from **Monday the 24th of January 2022**. Students will be given their personalised timetables for these sessions, along with workbooks and resources to use at home. Your support is appreciated, as a strong partnership between school and home will increase the impact of this learning and your child's outcomes. Please ensure that their attendance is consistent, as the sessions will ensure that they are fully prepared for their GCSE Examinations.

Yours sincerely
