11th December 2020

Dear Parents/ Carers

Year 8 Students

Our Year 8 students have displayed tremendous resilience and maturity throughout their supported transition period at the Rockwood Annex. We are immensely proud of how well they have maintained the Rockwood standards at all times, whilst based on the Nansen Academy site.

In light of this, we are very pleased to inform you that Year 8 students will be relocated to the Rockwood Academy new building as of Monday 14th December 2020. Consequently, when picking up or dropping your child off at school, you will need to use the new Rockwood Academy entrance on Naseby Road.

We look forward to welcoming our Year 8 students back to the Rockwood Academy site, as we know they will enjoy joining their peers in Years 7, 9, 10 and 11.

Yours sincerely

Ms S Darr
Headteacher
