

27th January 2026

Dear Parent/Carer

Year 9 Options Evening

We would like to invite you and your child to attend our **Year 9 Options Evening**, which will support students as they begin to make important decisions about their Key Stage 4 subject choices. The Options Evening will take place on **5th February 2026** from **3:45pm to 6:30pm**.

The options process is an important stage in your child's education, and the subjects chosen can influence future learning pathways, post-16 options, and career opportunities. Attending the Options Evening will help you and your child understand the subjects available and make informed choices.

During the evening, you will have the opportunity to:

- Receive your child's **academic report**
- Collect **Options Booklet** and **Options Form**
- Speak with **CORE subject teachers** about progress and next steps
- Learn more about the **options subjects offered** by speaking directly with subject teachers and key staff

We are also pleased to inform you that **Sadie Bolton from Connexions** will be attending the evening. Sadie has extensive experience in post-16 career pathways and will be available to speak with parents and students about how different subject choices link to future education routes, training, and employment opportunities. We strongly encourage all parents/carers and students to attend this event, as making well-informed choices now can have a positive impact on your child's future.

Please **confirm your attendance by completing the reply slip below by Friday 30th January 2026**.

Yours sincerely

Mrs Wu
Head of Year 9
