Year 11 Spring Intervention Timetable

We are providing targeted intervention for students to reach and exceed their targets. We know that in the lead up to the formal exam season students need additional support to close skills and knowledge gaps. Students have been selected for specific sessions designed to target their individual needs.

	Monday	Tuesday	Wednesday	Thursday	Friday
Before School (8:15-9:00)	Mathematics Form rooms All students	Mathematics Form rooms All students	Mathematics Form rooms All students	Mathematics Form rooms All students English T1-T2 X1 and Y1	Mathematics Form rooms All students
Lunchtime	Senior Study G16 Students to opt	Senior Study G16 Students to opt Hospitality and Catering G1 Invite	Senior Study G16 Students to opt Design and Technology G3 Invite Digital IT M14 Invite	Senior Study G16 Students to opt Computer Science M12 Invite	Senior Study G16 Students to opt Design and Technology G3 Invite
After School 3:10-4:00	English G9, G6 Invite French G16 Invite Spanish G15 Invite	Art M2 Invite	Design and Technology G3 Invite Religious Education M20 Invite	Science M3 – M8 Invite History M18 Invite	Geography G14 Invite

In addition to these targeted sessions, the library is available to all students before school (8:15-8:25), Break and lunchtimes and afterschool (3:10-4:00) to complete online revision as directed by teachers or self-directed on GCSE Pod. All students have a GCSE Pod account that is accessed at www.gcsepod.com

We have also developed our Year 11 MS Teams with revision materials and support personalized for our students from their class teacher. The senior study space is available lunchtimes in G16 for students to work through their classwork and revision.

We are also offering funded, additional tuition on Saturdays and holiday sessions to targeted students. Students will receive invitations to these sessions. Non attendance will mean that they lose their place as these spaces are very limited.

Date	Session 1 9 - 11	Session 2 11:15 – 1:15
Saturday 10th February	MFL productive skills	MFL productive skills
Monday 12th Feb	Science	
Tuesday 13th Feb	English Creative Arts - 3D Design	English Creative Arts - 3D Design
